With over 28 years of experience in the kitchen and bath industry, Betsy has dedicated her career to creating functional and beautiful spaces. Her journey began at Merillat/KraftMaid, where she spent 18 years designing trade shows, photo sets, and showrooms. She then honed her skills for a decade at a kitchen and bath dealer, collaborating closely with customers to bring their visions to life.

Beyond her professional endeavors, Betsy has a passion for cooking, baking, gardening, and photography, all of which inspire her design work.

“What I love most about kitchen and bath design is the opportunity to help people realize their dream spaces,” says Betsy. “It’s fascinating to see how each client uses their space differently, and I take pride in transforming their ideas into reality, from initial plans to the finished product.”
