SENIOR DESIGNER | TOLEDO, OH

Designing since 1992 | Joined KSI 2003

Chris specializes in production and semi-custom home building, serving the greater Toledo area for over 25 years. His approach with clients is patient and collaborative. Reading blueprints, communicating next steps, organizing just-in-time delivery, and meeting important timelines are skills Chris has been sharing at KSI Kitchen and Bath since 2003. He applies this same expertise when working with his remodeling customers too. Chris enjoys interacting with homeowners, contractors and builders in all aspects of a design project.

When Chris is not working, he enjoys being with his family, a good hockey game, and relaxing on the family farm.
