

### Julie Kersjes

SENIOR DESIGNER | BYRON CENTER, MI

A.A. Interior Design, Grand Rapids Community College  
Designing since 1983 | Joined KSI 2012

Julie has been in the design field for 38 years, 23 of which have been in the K&B industry. She started selling window treatments as her first job after college. In addition to windows, Julie also has experience working in flooring, paint, and linens.

In 1998 Julie started in the kitchen design field, where she continues to thrive designing for her clients. Julie believes it is important to give the client a design that works for their space and lifestyle, with a product that fits their budget. She thoroughly enjoys helping her clients create their dream kitchen, baths, or living spaces.

When Julie isn't at work she enjoys spending time with family & friends and getting outside as much as the weather allows to do some biking or walking.
