

Lisa Huckabaa

DESIGNER | TOLEDO, OH

A.S. Business Administration, Owens Community College
Designing since 2002 | Joined KSI 2014

Lisa has expanded and refined her kitchen and bath design expertise over the last 19 years. Her extensive knowledge of cabinetry, countertops, tile and appliances allow her to provide the complete design package to her clients.

What Lisa loves the most about remodeling projects is that no two are alike. Every client has a unique style, vision and perspective. Uncovering her client's needs and translating them into a one-of-a-kind design is her favorite part of the journey. Lisa enjoys applying her creative talents to other rooms in the homes and has developed specialties that include home offices and craft rooms.

Product knowledge and ingenuity are hallmarks of Lisa's designs. She has a talent for incorporating convenience and functionality into even the smallest of spaces utilizing the latest cabinetry and accessories. Lisa describes her personal design style as versatile and eclectic and she is in her element whether designing an urban loft or traditional style home.
