Mary Villerot

ASSOCIATE DESIGNER | BRIGHTON

AAS Interior Design, Oakland CC

Designing since 2022 | Joined KSI 2022

Mary has always had an interest in interior design since she was a little girl. Constantly rearranging her room, changing the floor plan and seeing how different the space looked and felt with the same items just in a different location. Whether it's a remodel or new construction project, she loves applying those same principles to her clients homes - helping them maximize and get the most out of their space.

"Everyone has different priorities and different points of focus for their space, and making every space unique is always special," says Mary. She loves seeing the design come full circle and enjoys her clients' reactions and excitement during and at the conclusion of their projects.

In her free time, Mary enjoys playing pickleball competitively, being outside in nature, camping as much as possible, and walking and taking adventures with her dog!
