BUILDER ACCOUNT MANAGER | BYRON CENTER, MI
BFA Interior Design, Kendall School of Art and Design
Designing since 2000 | Joined KSI 2024

I joined KSI in August 2024, bringing over 20 years of experience in the design industry. My expertise spans both new home construction and remodeling projects, allowing me to approach each design challenge with a well-rounded perspective.

My design and sales philosophy is rooted in my passion for helping clients create spaces that are both functional and uniquely personal. I pride myself on working closely with each client to achieve the highest level of design and craftsmanship. For me, interior design is not just a career—it's a true passion that drives my commitment to excellence.

Outside of work, I cherish spending time with family and friends, often entertaining and creating memorable experiences. I also enjoy crafting, particularly making jewelry, which allows me to express my creativity in new ways.

I hold a Bachelor of Fine Arts in Interior Design from Kendall School of Art and Design and have received various awards for my design work. I look forward to bringing my experience and enthusiasm for design to the KSI team and our clients.
