Raffi Bogosian

DESIGNER | NORTHVILLE, MI

B.S. Civil & Environmental Engineering, University of Michigan

Designing since 2011 | Joined KSI 2024

With well over a decade of kitchen and bath design and custom remodeling sales experience, Raffi is well versed in all the aspects of bringing a client's dreams to life. From the finer details of assisting homeowners with product selections to the broad responsibilities of project management, he loves crafting beautiful, functional spaces for his clients. "There's no greater satisfaction than successfully building a client's dream vision for their home," says Raffi.

Raffi is regularly seen supporting his three children in their various school and sports activities, which include hockey, soccer, and swimming. Raffi enjoys spending time with his wife, Cara, boating on Cass Lake, golfing, and skiing. He also looks forward to getting back to tailgate parties in Ann Arbor, reuniting with his college buddies, and rooting for his alma mater!
