

KSI Kitchen & Bath

Todd Covault

BUSINESS DEVELOPMENT MANAGER | SOUTHEAST, MI
Designing since 1984 | Joined KSI 2025

With over 20 years of experience in the flooring industry, Todd has built lasting relationships and managed projects across builder, multi-family, and commercial accounts. His two decades in the field have given him a deep understanding of what clients need and how to navigate the unique challenges that come with each type of project. Now, he's excited to bring his experience and passion for customer service to the KSI team.

Outside of work, Todd is all about family. He enjoys spending long days on the lake with his wife, two kids, and their three-year-old shepherd, soaking up the sunshine and making memories together. The family also loves to travel and explore new places whenever they can. When he's not out on the water or at the beach, you can often find him at the gym or working on his next home renovation project. Whether it's in design, construction, or quality time with loved ones, Todd is always building something meaningful.
