KSI is a home design and remodeling firm that creates spaces in the home people will love. From full-scale kitchen and bath renovations to simple storage solutions in the laundry room or home office, KSI delivers best-in-class design concepts, products and services.

KSI's professional design team uses a five-step process called "Bringing Design Home" to enhance the client's ideas with their own expertise in blending style and function.

KSi

Your home. By design. For life.

Our Five-Step Process

Define

Set a course for creativity by defining your personal style and preferences.

- Review inspiration photo, products and results of Define My Style Quiz.
- Discuss your current home and adjacent spaces.
- Ensures your new design will reflect your personal style.

Discover

Guide an in-depth discovery process to understand your unique needs.

- Measure room and consider what new dimensions you would like to add.
- Uncover “must have“ items, “wish list” and understand the daily routines.
- Ensures the design we create will work for the way your family lives, works and entertains in your home.

Design

Create a design concept and turn your vision into reality.

- Review 3-D renderings to easily visualize the proposed space.
- Consider options and make refinements to ensure you love the design.
- Ensures better decision making so you can move forward with confidence.

Determine

Determine the project schedule to ensure your project runs smoothly.

- Double check measurements and each detail of product selections.
- Verify time frames, review checklists to prep the space for installation, place orders and schedule delivery.
- Ensures accuracy and communication for a positive remodeling experience.

Deliver

Deliver products, communicate and follow up to ensure you are 100% satisfied.

- Accept delivery of products and inspect for accuracy and quality.
- Complete the installation with certified contractors.
- Ensures what you and your designer envisioned together becomes a reality.
